

# Monitor your APM from anywhere, anytime.

Trumeter Cloud is the easiest way to remotely monitor the status of your systems. Our plug-and-play APM Gateway box and software simplifies connectivity to our entire APM line. Save time, respond to issues faster, and be more proactive about monitoring your equipment today!

## Stay connected wherever you are.

- Remotely monitor up to 4 APMs per APM Gateway
- Get email and text message notifications on alarm conditions
- Configure your own alerts to get advance notice of issues

## Stress-free installation, guaranteed.

- Install the APM Gateway within minutes
- Access data securely in the Cloud for up to 45 days
- Get free access to Trumeter Cloud forever

# Trumeter Cloud Pricing Plans

Anyone with an Advanced Panel Meter and APM Gateway can try our Cloud plans for free! But you'll likely want to upgrade to one of our other plans to take advantage of monitoring multiple devices with increased data storage and communication capabilities. Simply create your account and select the plan that works for you.
