

Enhance the Guest Experience **with LG**

LG Pro:Centric Stay

Introducing Pro:Centric Stay, LG's revolutionary all-in-one technology solution for the vacation rental industry!

LG's premier hospitality TV management platform has been tailored specifically for short-term rental property management. Our cutting-edge technology redefines guest experiences, offering a host of customizable features designed to:

- Strengthen brand recognition and foster guest loyalty
- Drive profitability with service upsells and direct re-bookings
- Elevate the guest experience for stellar reviews
- Streamline operations for enhanced efficiency and communication
- Deliver a premium TV entertainment experience along with LG channels

The Pro:Centric Stay platform offers an array of property management and guest engagement benefits, including the ability to feature & display:

- Customized digital guidebooks with property guidelines & local highlights
- Instructional videos & step-by-step guides for appliances and amenities
- Branded and personalized welcome screens with a QR code for re-bookings
- Service upsells including late check-outs, housekeeping, and extended stays
- Guest messaging for important reminders, special greetings, and alerts
