**Part Number:** [1301230083](#)  
**Status:** **Active**  
**Overview:** [Aero-Motive Wire-Rope Festoon Systems](#)  
**Description:** I-Beam Festoon End Clamp 674

**Documents:**  
[RoHS Certificate of Compliance \(PDF\)](#)

|                                |                                                       |
|--------------------------------|-------------------------------------------------------|
| <b>General</b>                 |                                                       |
| Product Family                 | Festoons                                              |
| Series                         | <a href="#">130123</a>                                |
| Cable Height - Maximum         | 11.43mm (.450")                                       |
| Cable Width - Maximum          | 59.00mm (2.320")                                      |
| Combined Cable Weight-Max./Car | 79.38kg (175.0 lb)                                    |
| Component Type                 | End Clamp                                             |
| Depth                          | 137.92mm (5.430")                                     |
| Duty                           | Heavy                                                 |
| Height                         | 336.55mm (13.250")                                    |
| Length                         | 325.88mm (12.830")                                    |
