**Part Number:** [1301230056](#)  
**Status:** **Active**  
**Overview:** [Aero-Motive Wire-Rope Festoon Systems](#)  
**Description:** I-Beam Festoon Intermediate Car 605 S6

**Documents:**  
[RoHS Certificate of Compliance \(PDF\)](#)

|                                |                                                       |
|--------------------------------|-------------------------------------------------------|
| <b>General</b>                 |                                                       |
| Product Family                 | Festoons                                              |
| Series                         | <a href="#">130123</a>                                |
| Cable Height - Maximum         | 19.05mm (.750")                                       |
| Cable Width - Maximum          | 98.00mm (3.858")                                      |
| Combined Cable Weight-Max./Car | 79.38kg (175.0 lb)                                    |
| Component Type                 | Car - Intermediate                                    |
| Depth                          | 137.92mm (5.430")                                     |
| Duty                           | Heavy                                                 |
| Height                         | 282.00 (11.100")                                      |
| Length                         | 254.00mm (10.000")                                    |
| Overview                       | <a href="#">Aero-Motive Wire-Rope Festoon Systems</a> |
| Product Name                   | Aero-Motive                                           |
| Type                           | I-Beam                                                |
| UPC                            | 78678863071                                           |
| Woodhead                       | Yes                                                   |
| <b>Physical</b>                |                                                       |
| Beam Size                      | S6 - 152.40mm                                         |
| Material - Coating             | Powder Coating                                        |
| Material - Metal               | Steel                                                 |
| Number of Cars                 | 1                                                     |
| Packaging Type                 | Individual Carton                                     |
| Saddle Radius                  | 79.50mm (3.130")                                      |
| Thread Size                    | N/A                                                   |
| Travel Speed - Maximum         | 121.92 mpm (400 fpm)                                  |
| Wire/Cable Type                | Flat                                                  |
| <b>Material Info</b>           |                                                       |
| Engineering Number             | 0605610                                               |
