| Category | ReliaMod EUSERC Main Breaker Modules |
|----------|--------------------------------------|

**Specifications**

|                                            |                                    |
|--------------------------------------------|------------------------------------|
| Enclosure                                  | N3R Outdoor                        |
| Amperage                                   | 1000                               |
| Phase                                      | Three-Phase, Four-Wire             |
| Main Phase Input                           | 3-Phase                            |
| Socket Phase Output                        | 1-Phase                            |
| Voltage                                    | 208Y/120V                          |
| Feed Location                              | Bottom w/Integral Pullbox          |
| IC Rating                                  | 65                                 |
| Main Circuit Breaker Frame                 | XT7S                               |
| Main Circuit Breaker Trip Unit             | Ekip Dip LS/I                      |
| Lugs Per Phase & Neutral (AWG/kcmil Al/Cu) | Lug Landing Pad, Lugs not included |
| Main Ground Lugs (AWG/kcmil Al/Cu)         | (2) #6-350                         |
| Lug Landing Pad                            | Yes                                |
| Euserc Compliant                           | Yes                                |
| Additional Notes                           | Meets EUSERC Requirements          |
| Height (Inches)                            | 60.5                               |
| Depth (Inches)                             | 12.0                               |
| Width (Inches)                             | 33.6                               |
| Estimated Weight (lbs)                     | 330                                |
