

Tool Free Mounting Plastic Filler Panel *RB-TBP Series*

Note: This product line will be discontinued on October 14, 2026 at which time it will only be available while supplies last. No returns will be possible after the discontinuation date.

The suggested replacement will be **PBPP Series**. For alternative solution assistance, please **contact Hammond here** or call: USA (716) 630-7030, Canada and International (519) 822-2960.

Features

- Constructed of injection-moulded black plastic.
- Toolless mounting design.
- Fits standard EIA compliant **square hole rails**.
- Sold in packages of ten (10) pieces.
- Install in unused rack space to improve both cooling efficiencies and prevent air re-circulation.
- RoHS Compliant.

Part of the Rack Basics® line of value rack mounting solutions.

Priced to Clear! Now available for just \$50 MSRP.

Available while supplies last.
