

Call for Assistance 24VAC Dome Light with Buzzer, Red & White Lens, Activation Switch and Transformer.

The Bridgeport CA-DL Series Dome Stations are used to indicate the need for personal assistance in nursing homes, health care facilities, bathrooms and other areas where people frequent. Stations are provided with both red and white domes. The 24VAC call for aid package consists of a dome station with buzzer, a pull cord activation switch, a 120VAC primary and a 24VAC secondary transformer.
