

► Model PM22L RGB

Panel Mount 22mm Multicolor LED

Model PM22L RGB is a steady, multicolor panel mount LED that offers seven color options within the same unit. It is available in 24VDC and two electrical connection options: M12 Cable Gland with 12" (300 mm) leads or M12 4-Pin Quick Connect (-Q models).

The PM22 Series is panel mounted through a 22 mm/0.87" hole and secured with the provided locking ring. It offers a self-extinguishing polycarbonate body that protects against vibrations, dust and other atmospheric elements.
