

181405LB**9 X 2-1/2 WOODEX 5LB**

UPC: 085937105110

Country of Origin:

UNSPSC: 31161508

Taiwan

Commodity: Wood screws

Deck screws are specialized fasteners designed to resist corrosion in adverse outdoor environmental conditions. The deck screw should drive easily into the deck boards, and - once set - the head should lay smoothly against the deck surface.

**Product Attributes**

Brand Name	Minerallac Company
Sub Brand	Cully
Type	Deck Screw
Special Features	Corrosion Resistant
Material	Steel
Size	#9 x 2-1/2" IN
Length	2.500" IN
Thread Type	Coarse; Type 17 Point
Head Type	Flat Head
Head Color	Silver
Finish	Mechanical Galvanized
Driver Size	#2
Drive Type	Square Drive

Item Status: Active

Standard Qty: 1
