Application	When you work in spaces with recessed or hard-to-reach fasteners, trust that your bit will stay in place is huge and that's why we created the Megapro ShaftLOK™ Multi-Bit Screwdriver. The patented locking mechanism holds your bit tight, so you are confident that it'll stay in place. The ShaftLOK™ has 6" extension and 10" extension add-ons that use the same locking tech and can even be connected together for a much longer reach. Loaded with the most widely used bits and the original patented technology, this is a driver that will get the job done.
