

86308

4-1/2" CARBIDE GRIT HOLE SAW

UPC: 085937863089

Country of Origin:

UNSPSC: 27112826

USA

Commodity: Hole saws

Carbide grit hole saws create clean holes in materials too hard or abrasive for standard bi-metal saws, or so thin they would strip bi-metal or chip carbide teeth.

Product Attributes

Brand Name	Minerallac Company
