Support grips

Offset eye, closed mesh cable grip

T&B® Fittings

Ideal for medium-heavy load pulling and support applications

Certifications / Standards:

3-Part Specification: Tools and Calculators

Features:

- Single-weave stainless steel provides strength and flexibility
- Functions as a pulling grip or a support grip
- Helps reduce downtime in water pumps
- Helps reduce strain on hanging cables

Applications:

- Suitable for indoor and outdoor environments
- Ideal for medium-heavy loads
- For use in high moisture environments such as water pumps
- Suitable for permanent installations

Conforms to:

- REACH Article 33(1)
- RoHS (Restriction of Hazardous Substances)
 - European Directive 2011/65 and Commission Delegated Directive 2015/863

Operating temperatures:

- -22°F to +221°F (-30°C to +105°C)

Materials / Finishes:

- Wire mesh and Offset eye: Stainless steel
- Ferrule: Copper

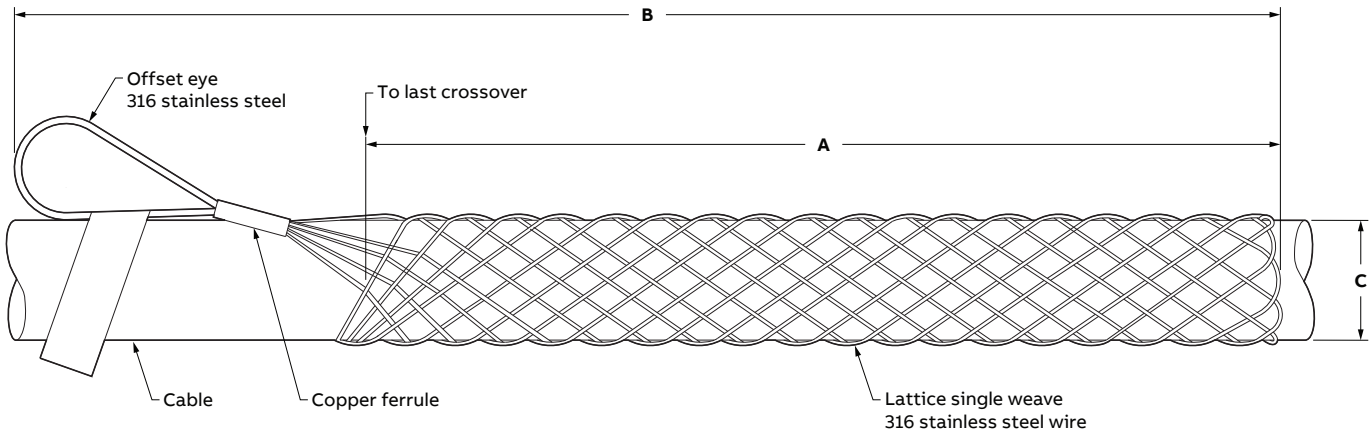

Table data:

- [Product selection and dimensions](#)

Support grips
