

Vertical Cable Manager with Hinged Door *C4VCM Series*

All-steel vertical cable manager with hinged door designed for simple, durable cable routing inside server cabinets.

Key Features and Benefits

- 16-gauge steel construction provides durable vertical cable routing and long-term reliability in cabinet environments.
- Formed steel body with integrated hinged door provides cable containment and protection.
- Mounts vertically inside the **C4**, **C4RR_S**, **C4RR_A**, **C4RR_D**, and **DCZ4** cabinet series for integrated cable management.
- Includes mounting hardware.
- Simple open-channel design supports flexible cable routing without structured finger duct limitations.
- Hinged door allows quick access for cable moves, adds, and changes.
- Available in multiple heights (24U, 42U, 44U) to match cabinet configurations.
- Compact 3.62 in width and 4 in depth minimizes cabinet space usage while providing cable organization.
- Ideal for moderate cable density applications where simplicity and durability are prioritized.
- Includes mounting hardware for fast installation.
- TAA-compliant, manufactured in North America supports government procurement requirements and ensures consistent quality.
- Black powder coat finish (GREENGUARD, TSCA, RoHS compliant) supports indoor air quality and environmental compliance.

The C4VCM Series vertical cable managers provide a simple and durable solution for organizing cables within C4 server cabinets. Constructed entirely from steel, they offer long-term reliability and cable containment without the complexity of finger duct systems.

Designed for installers who prefer a straightforward approach, the C4VCM Series supports flexible cable routing, easy access, and clean organization in cabinet-based environments.

Accessories

- Hook and Loop Cable Straps Pre-Cut 96 Inch

Vertical Managers

Part No.	Overall Dimensions			Mounting Dimensions		Frame Series Compatibility
	Height	Width	Depth	Height	Rack Units	
C4VCM42BK1	42.00	3.62	4.00	42.00	24U	C4 30" wide
C4VCM73BK1	73.00	3.62	4.00	73.00	42U	C4 30" wide, DCZ4
C4VCM77BK1	77.00	3.62	4.00	77.00	44U	C4 30" wide, DCZ4

Vertical Finger Managers

Compatible with Cabinet Height	For Use with 24" Wide Cabinet Frame No Cover	For Use with 30" Wide Cabinet Frame Cover Included
42U	C4VFM42UBK	C4VFMC3042UBK
44U	C4VFM44UBK	C4VFMC3044UBK

Where the C4VCM Series Works Best

- C4 server cabinet installations
- Data centers and IT rooms
- Network and telecom environments
- Government and regulated installations
- Applications requiring durable, low-maintenance cable management

Best Applications for the C4VCM Series

- Managing vertical cable runs inside server cabinets
- Supporting moderate cable density installations
- Providing durable cable containment with minimal complexity
- Environments where long-term durability is preferred over advanced features
- Retrofit installations replacing legacy cable managers
