

Catalog No. THQL1115PDX

Description: THQL 1P 10KAIC 120V 15A PON DFCI-X

UPC No 783164720112

Home > Circuit Breakers > Residential Circuit Breakers

Q-line plug-in circuit interrupters are one-inch wide per pole, compact, thermal-magnetic devices designed for residential and commercial applications in ReliaHome™ load centers. These breakers feature quick-make / quick-break mechanisms and easy to spot trip indication to ensure safety and reliability. Dual function circuit interrupter (DFCI) provides protection against overloads, short circuits, ground faults, parallel arcs, and series arcs. DFCIs provide protection in a simple to apply and cost-effective solution. The THQL1115PDX circuit interrupter is a 1 pole breaker rated at 15 Amps, with an interrupting rating of 10kAIC, and a voltage rating of 120Vac.
