Key Features and Benefits

- 16-gauge Steel construction supports durable cable organization in IT, AV, and network environments.
- Horizontal ring design provides simple, open cable routing for patch cables and small bundles.
- Available in 1U and 2U sizes to support varying cable density requirements.
- Open design allows easy cable access, adds, and changes without restrictions.
- Mounts to standard 19-inch EIA-compliant rack rails.
- Ideal for basic cable management where enclosed or high-density solutions are not required.
- TAA-compliant, manufactured in North America supports government procurement requirements and ensures consistent quality.
- Black powder coat finish (GREENGUARD, TSCA, RoHS compliant) supports indoor air quality and environmental compliance.

The RB-HRM Series horizontal cable managers provide a simple and effective solution for organizing cables within 19-inch rack systems. Using an open ring design, these managers allow cables to be routed cleanly while remaining easily accessible for moves, adds, and changes.

Available in both 1U and 2U sizes, the RB-HRM Series is ideal for low to moderate cable density applications where flexibility and accessibility are more important than cable concealment.

Part of the Rack Basics® line designed for simple, reliable, and affordable installations.

Accessories

- Hardware for Rack Mounting Solutions
- Hook and Loop Cable Straps Pre-Cut 96 Inch

	Overall Dinmensions			Usable Mounting Dimensions	
Part No.	Height	Width	Depth	Rack Units	Height
RB-HRM1	1.72	19.00	3.69	1U	1.75
RB-HRM2	3.22	19.00	3.69	2U	3.50

Estimated Cable Fill Capacities

Rack Units	Description	Opening Quantity	Recommended Cable Fill (50% Fill Ratio)			Maximum Cable Fill (100% Fill Ratio)		
			Cat 5e	Cat 6	Cat 6a	Cat 5e	Cat 6	Cat 6a
1U	Channel Opening	1	50	32	22	100	64	45
	Rear Pass Through	4	16	10	7	32	20	14
2U	Channel Opening	1	102	65	45	204	130	91
	Rear Pass Through	4	25	16	11	49	32	22

Where the RB-HRM Series Works Best

- Small IT and network installations.
- Telecom and structured cabling environments.
- AV and media racks.
- Low to moderate cable density applications.
- Budget-conscious rack deployments.

Best Applications for the RB-HRM Series

- Organizing patch cables between switches and patch panels.
- Routing small cable bundles horizontally within racks.
- Supporting quick cable moves, adds, and changes.
- Providing basic cable management without enclosed pathways.
