AVAILABLE BY SPECIAL ORDER

The Hammond Security Wall Box (SWB) Series boasts a simple but strong design. Constructed of heavy duty formed steal with premium smooth powder coating the SWB is ideal for mounting CCTV power distribution equipment. The SWB features an optional locking hinged door, numerous conduit knockout locations, optional mounting inner panel and UL certification.

Features

- Full swing door with slotted quarter turn latch **(optional lock available)**.
- Easily removed conduit knockouts on all 4 sides (see drawings for sizes and locations).
- Provisions for optional mounting inner panel.
- Wall mounting holes provided in rear of enclosure.

Specifications

- Constructed in 16 or 14 gauge steel depending on size.
- Grounding location embossed in body.
- Finished in smooth light gray powder paint.
- RoHS Compliant.
- Manufactured in North America.

Standards

- cULus-50 Type 1
- Complies with
  - NEMA Type 1
  - IEC 60529, IP20
