Catalog No. TM2415C42

Description: 150AMCB LC 24-42CRT N1 22K COMB

UPC No 783164402858

Home > Load Center & Meter Combos > Load Centers

PowerMark Gold main breaker load centers arrive with a main breaker installed for a convenient and swift install. Main breakers allow for the user to stop the flow of electricity in the load center, shutting off all the power in the residence. The TM2415C42 features a full 42 circuit panel, a 150 A bus ampere rating, a copper bus, and a combination surface/flush enclosure.
