### Specifications

|                              |                                                       |
|------------------------------|-------------------------------------------------------|
| Function                     | Boxed interface relay R600                            |
| Rated Control Supply Voltage | 115 V AC / DC                                         |
| Output Signal                | 5 ... 250VAC / 10mA ... 6A                            |
| Terminal Type                | Spring Terminals                                      |
| Output                       | 1 c/o (SPDT) contact                                  |
| Contact material             | silver-tin-oxide gold plated (AgSnO <sub>2</sub> /Au) |
| Product Main Type            | R600                                                  |
| Sub-Function                 | Relay with built in LED                               |
| RoHS Status                  | Following EU Directive 2011/65/EU                     |
| Object Classification Code   | K                                                     |
