

**Part Number :** [1300500015](#)  
**Product Description :** Cat5e Ethernet Cable,  
Shielded PUR Twisted Pair, 24 AWG, 300.0m Length,  
Black  
**Series Number :** 130050  
**Status :** Obsolete  
**Product Category :** Specialty Wire and Cable  
**Engineering Part Number :** EN84-2480-3040M

General

|              |                                                                               |
|--------------|-------------------------------------------------------------------------------|
| Status       | Obsolete                                                                      |
| Category     | Specialty Wire and Cable                                                      |
| Series       | 130050                                                                        |
| Description  | Cat5e Ethernet Cable, Shielded PUR Twisted Pair, 24 AWG, 300.0m Length, Black |
| Product Name | N/A                                                                           |
| UPC          | 78678845521                                                                   |

Electrical

|                               |      |
|-------------------------------|------|
| Current - Maximum per Contact | 1.5A |
| Voltage - Maximum             | 300V |

Physical

|                               |                            |
|-------------------------------|----------------------------|
| Cable Length                  | 300.0m                     |
| Circuits (Loaded)             | 8                          |
| Color - Cable Jacket          | Black                      |
| Material - Outer Jacket       | PUR                        |
| Net Weight                    | 14.780/g                   |
| Outer Jacket Diameter         | 6.22mm                     |
| Packaging Type                | Carton                     |
| Temperature Range - Operating | -20° to +75°C              |
| Wire/Cable Type               | PUR, Shielded-Twisted Pair |
| Wire Size (AWG)               | 24                         |
