

Meltric Corporation, a Franklin, Wisconsin-based manufacturer, produces high-quality, industrial-duty electrical plugs and receptacles. Their Switch-Rated plugs and receptacles, compliant with NFPA 70E, eliminate the need for extra safety switches, improving efficiency. Featuring reliable, spring-loaded silver-nickel contacts, Meltric's durable units offer superior conductivity and longevity. Meltric's commitment to safety is evident in their UL, CSA, and IEC certifications, along with their Type 4X/IP69 water and dust ingress protection. Meltric is an ISO 9001:2015 certified company.
