

NSI Industries specializes in manufacturing and supplying products for the electrical, network infrastructure, and HVAC sectors. One of its largest brands, TORK, offers a diverse product line that includes electromechanical and digital time switches, signaling devices, pool and spa controls, residential timers, photocontrols, and occupancy sensors, showcasing NSI's pivotal role in electrical and HVAC solutions. Operating under the philosophy of "Making Connections," NSI emphasizes a caring business approach that fosters strong relationships and drives smart solutions for customers, reflecting its dedication to more than just product manufacturing.
